

The Westport Weston Health District will be closed Monday, May 29, in observance of Memorial Day.

### WWHD SPONSORS FREE SKIN CANCER SCREENING

The Westport Weston Health District and Fairfield County Dermatologists will host its annual free Skin Cancer Screening on Sunday, May 7th from 9:00 – 11:30 a.m. at the Health District, 180 Bayberry Lane, Westport. Screening is free and no appointment is necessary. For additional information, contact Monica Wheeler, RN, at 203-227-9571, ext. 242. Skin Cancer is the most common form of cancer and it is increasing in incidence. The American Academy of Dermatology states that one in five Americans will develop skin cancer in the course of a lifetime.

Clinic dermatologists offer free skin cancer screenings to help find skin cancers early when they are most treatable and beatable. Adults, children and teenagers (accompanied by an adult), are encouraged to attend this important screening. Full body screenings will be available for all interested attendees.

### THE WESTPORT WESTON WILTON MEDICAL RESERVE CORPS

Westport Weston Wilton

The Westport Weston Health District is seeking motivated volunteers to join its Medical Reserve Corps (MRC). The MRC is a specialized component of the Citizens Corps, and part of a national network of volunteers dedicated to assisting hometown emergency preparedness and response efforts. The MRC stands ready to respond with our community's local officials to public health emergencies (and non-emergencies as well). MRC members receive free training and learn to better prepare themselves and their families for emergency situations. For more information about the MRC see our web site ([www.wwhd.org](http://www.wwhd.org)).
