

Employment Opportunity Environmental Sanitarian

The Westport Weston Health District, a southwestern shoreline community serving the towns of Westport, Weston and Easton, is seeking applicants for the full-time position of Environmental Sanitarian.

Responsibilities: The Environmental Sanitarian performs basic environmental health inspections and evaluations in accordance with the Connecticut Public Health Code and other applicable local, state or federal regulations. The incumbent will inspect food service establishments, subsurface sewage disposal systems, private water supply wells, public swimming pools, housing, schools, and daycare facilities. She/he will investigate health, environmental, and nuisance complaints and assist in the planning for and response to natural and man-made emergencies.

Qualifications: Minimum requirements include a Bachelor degree from an accredited college and two years related work experience in the field of environmental health, public health, or physical sciences. State of Connecticut certifications in food service inspections, septic disposal phase I or phase II and lead inspection are preferred. Applicant should possess a Registered Sanitarian license or have ability to sit for the examination. Applicants must be a self-motivated, organized individual who has the ability to work independently and is a strong team member. A general knowledge of computers is necessary. Individual must possess the ability to work cooperatively and communicate effectively with other staff members, local officials, and the public.

Salary: This is a Full-Time 35-hour per week position with full benefits. Salary is negotiable dependent upon education and experience.

To Apply: Resume and cover letter must be received by September 1. Applications can be picked up at the Westport Weston Health District offices or by emailing Pamela Scott at publichealth@wwhd.org.
